

OSSA Teacher of the Year Nomination for 2015:

In response to membership input, the Teacher of the Year nomination form has changed! The reason for this annual award has not. It is to recognize the dedication and contributions of Teachers that serve Small Districts.

Nominations should include a nominations letter of no more than two pages which specifically identifies the nominee, what attributes the nominee possesses that deserve recognition and how the nominee has made a difference in the education and lives of children.

In addition, those nominating candidates(s) for the teacher of the year award, should include contact information for the nominee, the relationship between the nominee and the person making the nomination and any additional information that would inform the OSSA board about the nominee.
